# Home Group Directory

---

Metro Life Church *is* small groups. Membership in the church entails participating in a group with 10-20 other church members. We call these groups “Home Groups” because their primary purpose is to help each other walk with God in the situations we face in our daily lives through prayer, Bible study, counsel and encouragement. It is said, “Home is where the heart is.” At Metro Life Church, the home is certainly at the heart of the New Testament lifestyle we are seeking to experience.
